President's Message

We all know it's been a hot summer...not too many cool days for one to want to be outside...but, don't tell that to your Vice President, Jon Cooper! I think he's personally attended over (20) car shows since April 1st. If I'm not correct in that number, I've got to be close. In case you

haven't looked over our revised activities list - there's plenty of shows to attend through October...so don't delay...get out there and participate!

Looking forward to our next big adventures (car shows): are the Regional Camaro Show on August 20; the Royals Stadium Car Show on August 21; and the Warrensburg Happy Days Car Show on August 27th where we will be handing out our club sponsored "Special Awards". We hope you plan to participate at these upcoming shows!

Also, you won't want to miss the August 14th club meeting. Dave Field will present a seminar entitled "How to detail your car". Our next 2017 planning meeting is from 1-3pm with the regular meeting from 3-5pm. Members who attended the Mankato, MN Central Spring Meet will have positive stories - so be sure to ask questions about their experiences. They plan on sharing their special awards with us!

See you at the August meeting!

Trish Lee, President AACA-KC Region

Remember When?

Don standing by his Corvette holding the award plaque at the Raymore Price Chopper Car Show in May

I fell in love with the 1962 Corvette watching "Route 66," the TV series. I told myself it was the most beautiful car I had ever seen and someday if I ever had the money I would buy myself one. I was 19 at the time. I attended Purdue University but decided college was not for me and joined

the Air Force. After one year in the Air Force I married the most wonderful lady in the world. I tell everyone she is a much better person than I. We had two children while stationed in

England. My wife always knew I loved Corvettes especially the 1962. On our 25th wedding anniversary she told me to buy a 1962 since she had saved enough money over the years. What an angel, since she has no interest in cars, especially old ones. I was an Air Traffic controller for the FAA in California and a Gemologist for Tivol jewelers.

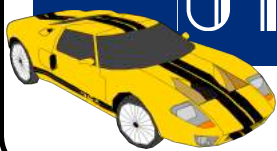

The 1962's Interior

The 1962's Engine

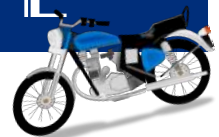

That's my story and I am sticking to it. By the way, I have had the car 30 years and married to my angel for 55 years.

Grand National Meet Kansas City Region AACA June 14 - 17

Want to have a "front row" seat to see all the Grand National cars up close during the entire time of the event we are hosting next June? We are expecting a large number of entries and most all will be trailered. So you have opportunity to help park trailers and get to see the cars as they begin arriving on Wednesday and as they prepare for the show through Saturday. The trailer parking committee will be by far the largest group needed. There are several of our members who have already signed so don't miss getting your name on the trailer parking list. To do so call Jerry Young @ 816-392-0713 or email him: youngfalcon@earthlink.net. Held at the Silverstein Event Center

No Sweat in Mankato

The CHALLENGE members took on was a BIG DEAL and "preparedness" paid-off for KC Region members in Mankato, MN - July 16, 2016.

Nine entries were represented:

- Carol Barker's '68 Camaro;
- Kurt Powelson's '64 Corvette;
- Chris Kovachevich's '81 Buick;
- John Smith's '90 Sera;
- George Stegnor's '68 Mustang;
- Martie Kernodle's '60 Metropolitan;
- Ken Rothove's '60 Harley Davidson Motorcycle;
- Ken Rothove's '66 Corvette; and
- Ken Lee's '69 Camaro.

Everyone came home with their anticipated class award!

Glorious Mankato Weather!

The weather and the organization of this event was spectacular! Blue skies and white clouds were awesome along with green corn fields and colorful flowers!...and no humidity. Ken Rothove had a surprise response (after his Corvette was judged) when he asked "what deductions do I need to work on" and the Master Judge replied, "how can you work on deductions if you don't have any". And we learned that Carol Barker has "custom valve covers" on her Camaro...NOT! However, we did learn just how long it can take to be served food at a Perkins restaurant. And...maneuvering a '60 ft. trailer in a Perkins parking lot is easy...just ask Jon Kernodle.

On Friday, while most of the guys were preparing their cars for the Saturday show - a few of the girls took off into an old historic town called New Ulm - where we found antiques; good food; and history galore! We shopped and had a good lunch and toured a restored mansion.

Ken Rothove and his Harley

Girls Out on the Town!

For the record...not **only** is Martie a professional shopper...she's an expert on blue thread specials. What fun we had shopping with Carol Barker's granddaughter, Felicity...she made our shopping experience literally fun...she looked "awesome" in **every** dress we made her try on and model for us! That girl has patience and is beautiful inside and out!

Girls just hav'n Fun!

Besides experiencing a blown-out trailer tire; a leaking gas tank; a leg injury; and lack of sleep - our trip was successful and rewarding! We just keep having more fun and more fun as the year goes on. At our last event "Mr. Twinkie" came out of the closet...and on this trip "Mr. Cranker" came out...what's next?

Keep on Cruisin!

Representing AACA in China

AACA Executive Director Steve Moskowitz recently traveled to China to represent the Club at the opening of a special photographic exhibit at the Beijing Automobile Museum.

He spoke to several special audiences about the collector car hobby and AACA.

On an excursion to The Great Wall, Steve was excited to see a little piece of home... Hershey's Chocolate Syrup!

Lake Lotawana Methodist Church Car Show - June 18, 2016 - "The Pie Show"

Jim Streeby arrived at 6:30 am to save a shady spot for us. Whew! It was a hot one. Thanks Jim!

Fourteen AACA members attended in addition to 167 cars, 1 18 wheeler truck, 4 motorcycles and 2 boats. The 18 wheeler trailer was a show stopper with a mural of western scenes.

Known as the "pie" show as the ladies of the church slice up homemade pies (rhubarb, pumpkin, apple, peach, cherry, lemon meringue, etc.) and tote around the show in wagons. Few can resist buying a slice. The concession stand could fill you up on hamburgers, hot dogs, chicken sandwiches, chips and sodas.

Rollin' Nostalgia July 4th Car Show ~ Pittsburg, Kansas

Courtesy wooden picture frame with participants' photos from Rollin' Nostalgia Show

Organized and led by Jon Cooper, a group of AACA-KC members including Don Cox, Roscoe Yoder, Dana & Dave Noble, Ken & Trish Lee and Fred Hall departed at 7:30 a.m. on Monday, July 4th to attend the Rollin' Nostalgia Car Club's 26th Annual Car Show in Pittsburg, Kansas.

It was a foggy drive to Pittsburg but, the weather improved and heated up significantly once the car show began. As each show car entered the venue, a photo was taken of our cars and the pictures were printed and

Roscoe Yoder, Don Cox, Ken Lee, Fred Hall and Dana and Dave Noble

placed in a wooden antique license plate picture frame courtesy of the Rollin' Nostalgia Car Club. As an added bonus, Fred Hall and Ken & Trish Lee won Top 20 trophies! All of us had a fun day and were able to get back home in time to enjoy the fireworks events.

AACA-KC Meeting - Longview Lake Annual Picnic - July 10, 2016

The Longview Lake Picnic was a good outing... the chicken and side dishes were excellent! We had close to 50 people show up despite the hot weather! Fortunately, we had a breeze and the shade that Shelter #14 provided was good!

Members enjoying chicken and side dishes

We heard from members about other car events they were participating in and about the awards they were winning. We found out that Jerry Cygan (occasionally) feels a "need for speed" and was presented a t-shirt and a snack box that claims him to be "Awesome and with Lightning Speed". Also, we found out that Jon Cooper once shared his trunk snacks (Hostess Twinkies) with his fellow club members when they were in dire need of an afternoon snack. So, we returned Jon the favor by giving him back (9) boxes of Twinkies to him.

Everyone caught up with car shows and events

It was a great time to visit and reminisce about our events for the first-half of the year. It was nice to meet new friends and guests!

Ramones:**

Uumamau-
papaumamau! Like
most of the
Ramones songs, it's so simple that it's
genius. This is the band that had a
large hand in changing the sound of
rock and roll forever, and they
continued that trend with this song's
release in 1987. Girls, cars, sun and
fun means good fun for everyone.

Best Lyric: "Go lil' Camaro go,
Oohhh!"

**"Red
Barchetta,"
Rush:** Released in
1981, not only is
this song about a
fellow who finds
his uncle hid an

old red Fiat Barchetta in a barn, but it
also reveals the fears of car lovers
everywhere as motor laws change.
Set in the future, this tune takes place
in a world where stringent safety
regulations force cars to evolve into
massive modern safety vehicles,
making poor little sports cars like the
classic Barchetta illegal to drive on
the roads.

Best Lyric: "I fire up the willing engine,
responding with a roar. Tires spitting
gravel, I commit my weekly crime."

**"Mercury Blues," The Steve
Miller Band:** Originally titled
"Mercury Boogie," this song was first
written in 1948 by K. C. Douglas and
Robert Geddins. There have been
several covers, but in 1976, the Steve
Miller Band's bluesy, soulful rock style

Antique Automobile Club Of America

Volume 4, Issue 7 - July 2016

THE CLUB

The Antique Automobile Club of America is the country's oldest and largest automotive historical society. A Pennsylvania 501(c)(3) nonprofit corporation, it is dedicated to the preservation, restoration and maintenance of automobiles and automotive history. Founded in Philadelphia in 1935, its membership has grown to over 60,000 members from all parts of the world. AACA holds country-wide competitive meets and non-competitive tours. These are on a divisional basis offering a program within everyone's reach. Tours and activities relating to the hobby are offered, including the Revival AAA Glidden Tour®, Founders Tour, Vintage Tour, Reliability Tour, Sentimental Tour and Divisional Tours. The Annual Meeting features a trade show, seminars and the National Awards banquet.

AACA is proud of its relationship with the many historical organizations devoted to similar objectives the world over. The Club, through its national office, publications, and membership, aids individuals, museums, libraries, historians and collectors dedicated to the preservation of automotive history.

VEHICLES

Motor vehicles of all types, 25 years or older are grouped for competitive purposes into many classes according to age and mechanical features. AACA has a comprehensive judging system that allows members to earn special awards for their vehicles. AACA also recognizes original cars, Historic Preservation of Original Features (HPOF) and unmodified 25 year and older vehicles that are driven, Drivers Participation (DPC). The club also recognizes classes of motorcycles, trucks and documented race cars. Further details can be found in our judging guidelines which are available online at www.aaca.org.

AACA MUSEUM

Your current year membership card entitles you to unlimited free admission. The AACA Museum was incorporated in 1993 and was completed in 2003. The facilities encompass over 80,000 square feet and houses approximately 100 collector vehicles. A gift shop, educational programs and a regular change of exhibits can be found at the museum. Visit www.aacamusuem.org or call 717-566-7100.

THE MAGAZINE

AACA's official publication ANTIQUE AUTOMOBILE is the country's foremost automotive historical magazine. Amply illustrated, it is distributed bi-monthly to all members. It contains many fine historical articles, meet and tour accounts, technical articles on restoration and other material. In addition, it includes commercial and classified advertising. Advertisers may obtain a rate card from Antique Automobile Club of America, National Headquarters, 501 W. Governor Road, Hershey, PA 17033.

REGIONS AND CHAPTERS

There are approximately 400 regions and chapters chartered by the Antique Automobile Club of America worldwide. Regions and their chapters are administered in an autonomous manner holding their own meetings, collecting local dues and conducting runs, meets and other events under the direction of the respective elected officers. Membership in the national Antique Automobile Club of America is a prerequisite to joining a region or chapter.

AACA LIBRARY & RESEARCH CENTER

Founded in 1981, the AACA Library & Research Center provides historical research concerning the origins of and the development of motorized vehicles of all types. The library will assist hobbyists in the restoration and preservation of their antique vehicles. The AACA employs a full-time library staff to better serve the membership. Photocopying (including color) and research services are available through the Research Center at nominal fees. Members qualify for limited free research. Visit www.aacalibrary.org or call 717-534-2082.
