President's Message

Kansas City "crazy" days are here...the weather is hot and days are longer! This is a good reason for you to get your classic out of the garage and onto the street for a cruise or car show. Jon Cooper has put together an impressive list of car activities for us to participate in locally and out-of-town! So don't hesitate...pick up the phone...call another club member to get out and cruise the town!

We had a super club meeting on June 12...many thanks to all the board members and chair people who help make a well organized club! The planning of new events and contests help keep us excited about our club and our new friendships.

HAPPY 4th of JULY

Ron Schafer

Member Profile ~ Ron Schafer 1972 Ford Mustang Sprint

Ron, grandson Zane and the '72 Mustang

This month's feature car is a 1972 Mustang Sprint belonging to Ron Schafer. The Sprint series Mustangs that year had a décor option

to celebrate the 1972 Olympics. The option package included white body paint with blue and red accents. On the rear fenders there was a USA Shield. The interior had distinctive vinyl bucket seats with color-keyed white bolsters, blue cloth inserts, and red piping. The carpet was bright blue. It came with dual racing mirrors, E-70x14 white sidewall tires.

Zane dreaming about his future ride

Ron's Car is the Fastback model and is one of only 1471 that were made. It has the 351 2v V8 engine. A total of 9383 Sprints were made in varying body styles and engine combinations. They represented only 7.5% of all 125,813 Mustangs made in 1972. Ron purchased his Sprint in 2005 from the original owner Dennis Leonard. A pitcher, Leonard was drafted in 1972 by the Kansas City Royals. He was on their active roster from 1974 until 1986. But this story is more about Ron's grandson, Zane Schafer, who loved the Mustang Sprint. He told his grandpa he wanted the Sprint when he got older and I believe Ron had every intention of that

The Mustang's former owner was Royals pitcher, Dennis Leonard

happening. Recently he was able to drive the Mustang a couple of times. But tragically, Zane lost his life on June 2nd this year in an ATV accident while helping a man who attends his grandparent's church.

Zane was a remarkable 15-year-old young man. Unlike many of his peers who spend their time in front of the TV and playing video games, Zane enjoyed being outdoors and helping other people. He liked working with his hands and especially loved anything mechanical. He often would call his grandpa Schafer and ask if he could come over and help with chores on the farm. He loved driving the lawn tractor and a go-kart Ron owned.

Zane recently became an Eagle Scout and received the Glenn and Melinda Adams National Eagle Scout Service Project of the Year Award. The award recognized his community project for special needs preschoolers and students at a Blue Springs school.

Zane has been actively involved in the AACA-KC and other car shows along with his grandpa Schafer. Many of you will remember how helpful he was at our AACA-KC Central Spring Meet a year ago, June 2015. For Zane and his love for old cars, and at his family's request, about 20 antique cars drove from his funeral to the gravesite. Most of those cars were owned and driven by AACA-KC members. The Schafers were touched by this and thank those who honored Zane in this way.

A love for wheels came early for Zane.

Zane Christain Schafer, Age 15, passed June 2, 2016. He was born January 16, 2001. Zane was an Eagle Scout and a member of Boy Scout Troop #332.

I personally am very fortunate to have known Zane. More than once in the past I have told Ron, that in 32 years of teaching, I was never more impressed by a young person than I was Zane. It is very difficult to understand and accept what happened to Zane. But his entire family are Christians which gives them extra comfort, strength, and hope. I know all reading this will want to keep them in your thoughts and prayers now and in the future.

Special thanks to Dennis Roberts for presenting his "Painting" seminar at the meeting. This guy is a wealth of knowledge on this subject due to his own personal experiences with working on classic vehicles. It was very educational to see the spray-guns, towels, and sanding papers that Dennis uses in the process of painting a car. We look forward to more of these types of seminars from our members in the future!

*Remember, we have no official meeting in July...but, we do have a club **PICNIC on July 10th** at **Longview Lake - Shelter House #14**...we hope to see you there! The club will provide Hy-Vee fried chicken...it's from 5-8:00pm. This will be a great time to visit with each other and catch up on our car stories and make new plans for the fall. Soon, we will send out a reminder and ask that you **RSVP** so we'll know how much chicken to order.*

Again, thanks to everyone for all the hard work and personal time you spend in planning our KC-Region club events, taking notes at meetings and working to gain new members...it makes for a fun club!

Look forward to seeing you at the Picnic!

"AACOA-KC PHOTO CONTEST"

that starts now.....and ends at the September club meeting.

Contest categories for photo shots are:

- | | |
|----------------|--------------------|
| 1) Full View | 3) Motion |
| 2) Detail View | 4) Cars and people |

There is (1) entry per person; per category - can be either color or black/white. Please send your digital photos to: dlhedberg2@gmail.com, or if you have prints, bring them to any meeting, preferably in a 5x7 size. Either way, be sure to let Dennis know whose photo it is. He will return the prints at the September meeting.

How Much Fun Can You Have In One Weekend!

Check out this formula: perfect temperature; a scenic drive; no humidity; no rain; blue skies; new adventure where you've never been before; an 1870's mansion with home-made meals; attending three separate car events; cruising with friends (who share your hobby) in classic cars!

On Saturday, June 4th we cruised to attend the 7th Annual 'Rollin' Nostalgia Car Club's "Super Cruise on Broadway" in Pittsburg, Kansas. Our first stop for lunch was in Ft. Scott, Kansas at the Lyon's Mansion where we ate the best home-made food! We managed to walk off lunch by touring the fully remodeled "twin-sister" mansion next door. We also toured the carriage house and gardens. While in Ft. Scott we checked out their "Good Ole Days" festival and attended their car show and visited a few antique stores in the downtown area. Then we headed to Pittsburg.

We shared competition with 280 cars at the Pittsburg Super Cruise. This event took up 7 blocks of main street. There was free food, drinks, and music. Talk about interesting trophy's...each was custom built; each unique; and one-of-a-kind! A few of our members won awards:

*Check out this formula...perfect temp;
well-planned out; adventures where you've
never been.*

Again, with perfect weather we headed west the next day to Carthage for the "Rallye 66" First Christian Church Car Show. Before the car show started, outside church services & live music entertainment was provided. Prior to the car show...a few of our members cruised over to the Gay Parita on the Historic Route 66 for a photo shoot.

Gary & Lena Turner welcome travelers to their gas station & gift shop on Route 66. Here you'll find a wealth of information for Route 66 by roadie and proprietor Gary Turner who enjoys sharing his knowledge of the "Mother Road" with everyone! Turner's station is a re-creation of a circa-1930's gas station that originally stood in the tiny hamlet of Paris Springs, Mo. until it burned in 1955. In retirement, Turner re-built the station and it quickly became a must-stop for Route 66 travelers.

Our motel stay was so good...some tried to pay twice. JC

The Ford Award:

Jerry & Sharon Cygan '59 Thunderbird

The Truck Award:

Ken & Mary Ann Rothove '72 Truck

Again, with free food and hospitality by all the people at all three shows it was an outstanding trip! The cruise came off without any mechanical issues. All of the events we attended were super organized and never before seen vehicles were awesome. Thanks to our cruise chairman, Jon Cooper.

Who now has the new title... "The Twinkie Man"... J.C.

This wasn't just a cruise...it was a "Super Cruise"!

AACA - KC Cars and Jazz District Movie

With the redevelopment of downtown Kansas City, the entertainment district of 18th and Vine is flourishing. Anchored by the GEM Theater and enforced by the Negro Baseball League Museum, the area is capturing the atmosphere of the 40's and 50's.

Vine Street Films and other non-profit groups are filming a documentary of the history of Jazz in the Kansas City area. The producers are Rodney Thompson of The Thompson Group and Kerwin Looney, of Looney Productions.

Fred Klasta's 1953 Cadillac in front of the theatre.

Six Kansas City Region members, along with friends and acquaintance, in total 15 cars, were privileged to be a part of this event. Seeing first hand how a production takes place was quite an experience. Just like you see on TV, there were directors, cameras, actors and "gophers."

??????? talking to Rosco at 18th and Vine filming location.

We drove up and down the street in front of the GEM Theater to simulate activities of the time.

Those participating were:

- Steve Flick 1941 Buick,
- Bonnie Johnson 1940 Plymouth,
- Fred Klasta 1953 Cadillac,
- Russell Penniston 1940 LaSalle,
- Dennis Roberts 1948 Mercury, and
- Jim Streeby 1939 Chevy Pickup.

Roscoe Yoder generously brought donuts and coffee for all.

The documentary should be finished and released in about 2 years.

Hot but...NOT - The Branson - Keeter Center Car Show

Yes, the weather was hot...but, this event was so satisfying it was all worth it! It was the most elaborate car show we've ever attended. When was the last time you ate a 7-course brunch at a million dollar facility complete with piano entertainment while you dined...and it was all "free". The Father's Day Car Show was held at the Keeter Center (the college of the Ozarks) located at Point Lookout, Mo.

The car show was by invitation only and limited to only 50 cars. Dave and Donna Field's red '65 Corvette roadster

took "Participants Choice" and Ken and Trish Lee's '69 Z28 Camaro took "Most Original".

We stayed at the Classic Motor Inn with a '66 Mustang displayed in the main lobby. We also toured the Branson Auto & Farm Museum on Saturday afternoon.

For the most part, our vehicles ran good with good mileage. We finalized the weekend by eating at the famous Smith's restaurant on the way home. To find out all the details...talk to those who attended. And, yes...some members do have "back-up cars"!

Stegner's First Place Award

AACA Grand National 1st Place Winner

Stegner's 1968 Mustang GT

Joy and I attended the AACA Grand National, June 3-4, in Williamsport, PA. There were a total of 647 cars registered, which made it one of the largest Grand Nationals ever.

We entered our 1968 Mustang GT convertible and it received a 1st place award in the Ford High Performance class. All the cars there were excellent, so we felt fortunate to score within 5 points of the best Shelby's, Bosses, and big-block Galaxies in our class.

*De Plane, De Plane!"
Where have you
heard that
before?
Read
on...*

Imagine pushing a plane up the streets of Branson and over the railroad crossing, then up the hill to the parking lot of the Convention Center. This is what we encountered during our trip to the Branson Car Auction in April. We were staying in the RV Park near the Branson Landing and went to check out the seaplane that was parked nearby.

When Glen saw Jim Cox, owner of Branson Car Auction, involved in pushing the plane, he joined in. As they turned the corner with the plane and started towards the railroad crossing, it was obvious the wings were much wider than the crossing signs. However, the plane was rotated to get one wing through, then rotated more to get a second wing through. A plank was placed on the railroad tracks to push the airplane over the tracks. By this time the plane was headed up the hilly street with its tail first. It was pulled by a pickup truck and then pushed by the crew in back. What a sight!

The exciting part of this story is they were pushing and pulling the original plane used

in the filming of the ABC-TV series Fantasy Island during the 70's-80's. Many of you will remember Tattoo climbing the bell tower and ringing the bell at the beginning of each episode, as he shouted, "De Plane, De Plane, Boss!"

The plane has an interesting history besides being leased to universal studios and seen in many TV episodes. It was once confiscated by the D.E.A. for drug running and once turned upside down in Lake Okeechobee in Florida.

The restored 1967 Grumman Widgeon was auctioned off at the Branson Auction and sold for \$302,500.

On Sunday, Glen watched the smooth flying Grumman

Widgeon and listened to the beautiful sound of the twin antiques engines as the plane flew over the RV Park into the clouds leaving for its new home.

AACA-KC Meeting Minutes June 12, 2016

Attendance: 36 Members

Martie Kernodle made a motion to approve the May 15, 2016 meeting minutes. Jerry Cygan seconded the motion. The Minutes were approved by vote.

Trish Lee gave the Treasurers' report. Brenda Hayden made a motion to approve the report. Roscoe Yoder seconded the motion. The Treasurers Report was approved by vote.

Trish announced new members:

(Mark) Lawrence and Nancy Short sponsored by Martie and Jon Kernodle
Wayne and Pam Fry sponsored by Bonnie and Bill Johnson

Guests that joined today were:

Kerwin Looney guest of Roscoe Yoder

Payton Kennedy guest of Jerry Cygan, a Junior Membership

Trish mentioned that Richard and Carol Barker have recently lost her brother due to health issues and Ron and June Schafer recently lost their 15 year old grandson, Zane Schafer, in a 4 wheeler accident. Seventeen cars from our club participated in the funeral procession for Zane as he was fond of old cars.

The club's hearts and prayers go out to these club members as well as our condolences.

Trish reminded everyone to continue to take pictures for the photo contest.

Martie Kernodle announced our Kansas City Regional Application for New Membership has been changed to say the ½ price dues start on June 1st to match the National Membership Application.

The 50/50 pot was not held today.

Trish reminded everyone half of the sales of the 50/50 pot go to fund our "Sponsorship Awards Program". The other half goes to the winning ticket (person). Any club member may sponsor an award for the car of their choice at a car show. Members agree to pay half the cost of the award and the club pays the other half out of this fund. It is a good way for our club to be involved in local area car shows. It helps to make us known in the

AACA-KC Meeting Minutes Continued

community and gives us a way to find potential new members for our club. A sign up sheet for members wanting to sponsor a trophy was available. Trish said we do need 2 weeks notice before a car show to have the trophy available. Club Members have given out 6 to 8 awards so far. The Board has requested the club support the Annual Warrensburg Wheels Car Show on August 27th as the Happy Days Dealer sponsored a large ad in our 2017 Grand National Meet Directory.

Trish gave a special thanks to Jon and Laura Cooper for chairing the recent trip to the Pittsburg, Kansas and Carthage, Missouri car shows. Seven cars from our club attended the car shows. Two members won plaques at the Pittsburg show and four members won plaques at the Carthage car show. All participants agreed it was one of the best trips ever.

Kerwin Looney talked about several of our Club Members and their cars participating in a filming for a documentary last weekend.

Jim Streeby talked about the McPherson Car Show that several of our club members attended.

George and Joy Stegner attended the Pennsylvania AACA National Meet. Their car won a First Grand National Trophy, which he proudly showed to us.

George Stegner won the prize for the "Who's reading their Newsletter".

Jon Cooper had available an updated Kansas City Area Car Shows and AACA Activities/Participation brochure for everyone. He also mentioned some past events. Some upcoming events mentioned by Jon and other Club Members are:

Lake Lotawana Car Show June 18th

Goodguys Car Show Des Moines, Iowa July 1st to 3rd

Annual Car Show at the Church of the Resurrection July 9th

National Central Spring Meet –Mankato, Mn. July 14th through 16th

Vintage T-bird Club's International Car Convention at the Embassy Suites

AACA-KC Meeting Minutes Continued

Annual Warrensburg Wheels Show—"Happy Days" Dealer August 27th

The next road trip for the club will be on July 4th to the Rollin' Nostalgia Car Show in Pittsburg, Kansas.

Trish announced we will not have a regular meeting in July. From 5:00 to 8:00 pm, on July 10th, we will have a Club Picnic at Longview Lake Shelter #14. The Club will provide "Hy-Vee fried chicken", plates, napkins, silverware. Members are asked to bring side dishes/desserts to share with other members. All Members should bring their own non-alcoholic drinks.

Trish shared the Membership Committee (Roscoe and Martie) and the Board are working on a Membership Drive with prizes. Once all details are finalized the information will be sent out via e-mail.

Dennis Roberts did a special presentation of "Painting Your Car".

Meeting was adjourned.

AACA Membership Survey Update

By Lars Anderson, VP Membership, AACA Board of Directors, larco257@aol.com

The AACA Membership Enhancement Committee would like to learn more about your experience with AACA. We have started sending out the emails regarding the survey (powered by SurveyMonkey) to current AACA members. If you have not received yours yet, please continue to keep your eyes open for it to arrive in your inbox during the next 2 weeks and take the time to respond. (We timed ourselves and it only took 75 seconds!) This survey is important and will provide valuable information to help us make AACA better for you.

Thank you in advance for taking the survey!

The Same Is Not The Same

If you are into restoration of classics as I am, you know that parts are a big deal. It's rare that a reproduction part is the same. In general the metal is not the same in quality and the chrome plating looks like stainless and peels. Then the so-called stainless steel is so bad a magnet can be attached. If you look at where the replacement part came from, good luck in finding it on a map. Some of the upper-end vendors make a point to tell you that it's part is made in the USA.

Do you see why the n.o.s. (new old stock) parts command premium prices? The reason is they fit and perform like original.

In 1963, Mercury Marauder 427 V8 engines were equipped with a molded Dacron insert for the fan belt. This liner shrank when heated, helping to tighten the fan belt and reduced slippage to water pump during severe use. Speaking of fan belts, I've heard that Corvair owners were throwing fan belts. Chevrolet warned on replacement to use only Chevy fan belt. I and my wife drove Corvair's for over 10 years and never had that problem (Chevy belts).

So, when something mechanical or appearance doesn't seem right... it's not. The automotive manufacturers spent enormous time and money testing components. Keep in mind, you are not the original owner...so problems you might encounter could be inferior parts that were replaced earlier in the classics life. Do your research...miles of smiles!

Antique Automobile Club Of America

Volume 4, Issue 6 - June 2016

THE CLUB

The Antique Automobile Club of America is the country's oldest and largest automotive historical society. A Pennsylvania 501(c)(3) nonprofit corporation, it is dedicated to the preservation, restoration and maintenance of automobiles and automotive history. Founded in Philadelphia in 1935, its membership has grown to over 60,000 members from all parts of the world. AACA holds country-wide competitive meets and non-competitive tours. These are on a divisional basis offering a program within everyone's reach. Tours and activities relating to the hobby are offered, including the Revival AAA Glidden Tour®, Founders Tour, Vintage Tour, Reliability Tour, Sentimental Tour and Divisional Tours. The Annual Meeting features a trade show, seminars and the National Awards banquet.

AACA is proud of its relationship with the many historical organizations devoted to similar objectives the world over. The Club, through its national office, publications, and membership, aids individuals, museums, libraries, historians and collectors dedicated to the preservation of automotive history.

VEHICLES

Motor vehicles of all types, 25 years or older are grouped for competitive purposes into many classes according to age and mechanical features. AACA has a comprehensive judging system that allows members to earn special awards for their vehicles. AACA also recognizes original cars, Historic Preservation of Original Features (HPOF) and unmodified 25 year and older vehicles that are driven, Drivers Participation (DPC). The club also recognizes classes of motorcycles, trucks and documented race cars. Further details can be found in our judging guidelines which are available online at www.aaca.org.

AACA MUSEUM

Your current year membership card entitles you to unlimited free admission. The AACA Museum was incorporated in 1993 and was completed in 2003. The facilities encompass over 80,000 square feet and houses approximately 100 collector vehicles. A gift shop, educational programs and a regular change of exhibits can be found at the museum. Visit www.aacamusuem.org or call 717-566-7100.

THE MAGAZINE

AACA's official publication ANTIQUE AUTOMOBILE is the country's foremost automotive historical magazine. Amply illustrated, it is distributed bi-monthly to all members. It contains many fine historical articles, meet and tour accounts, technical articles on restoration and other material. In addition, it includes commercial and classified advertising. Advertisers may obtain a rate card from Antique Automobile Club of America, National Headquarters, 501 W. Governor Road, Hershey, PA 17033.

REGIONS AND CHAPTERS

There are approximately 400 regions and chapters chartered by the Antique Automobile Club of America worldwide. Regions and their chapters are administered in an autonomous manner holding their own meetings, collecting local dues and conducting runs, meets and other events under the direction of the respective elected officers. Membership in the national Antique Automobile Club of America is a prerequisite to joining a region or chapter.

AACA LIBRARY & RESEARCH CENTER

Founded in 1981, the AACA Library & Research Center provides historical research concerning the origins of and the development of motorized vehicles of all types. The library will assist hobbyists in the restoration and preservation of their antique vehicles. The AACA employs a full-time library staff to better serve the membership. Photocopying (including color) and research services are available through the Research Center at nominal fees. Members qualify for limited free research. Visit www.aacalibrary.org or call 717-534-2082.
